How do people get inducted into the Hall of Fame?

- The Foundation will set up a committee and target every 2 or 3 years to select at least 1 boy and 1 girl for induction and target approximately 5 or 6 inductees for each ceremony.
- Committees will consist of 4 – 6 members (not from the Foundation) and one non-voting advisory member from the Foundation.

Criteria for selecting Inductees:

1. The Foundation will have on file High School past records of Edmond junior golfers (as complete as possible). We really depend on High School Coaches to turn in scores each year for all their tournaments.
2. High School, Junior High and summer junior tournaments will be used to evaluate nominees. The Foundation will use US Kids, SCPGA, OJGT, AJGA, PGA Junior series, State and National tournaments, Future Collegians World Tour, International Junior Golf Tour, and other applicable tournament scores during the selection process. ***Also, the amount of positive notoriety that a junior golfer has brought to Edmond will be considered.***
3. All nominees must have graduated from High School at least 4 years before induction.
4. Relatives of Selection Committee members will not be considered for induction.
5. Inductees must have been an Edmond resident for at least two years in High School.
6. Nominees may be nominated any number of times. Any person may submit a player's name for consideration. Player stats and applicable information should be submitted as complete as possible.
7. Mail information to Bill Nicklas Memorial Junior Golf Foundation
